□ Focus on HCSO Requirements

Statutory Authority:

Health Care Accountability Ordinance

- Passed by the Board on May 31, 2001
- Amended on March 24, 2006
- Codified at Chapter 12Q of the SF Admin. Code

Effective Dates:

The HCAO took effect on July 1, 2001; new amendments went into effect on April 23, 2006.

Legislative Findings & Intent of the HCAO

Legislative Finding: That the quality of service provided to the public by contractors and subcontractors would be enhanced if the employees providing the services had access to sound medical care through health insurance.

Legislative Intent: To ensure that all individuals working on City contracts have health coverage meeting Minimum Standards or are able to access medical care through the City's health care system.

Who is a covered employer under the HCAO?

- City contractors and certain tenants leasing City property with 21 or more employees *anywhere* and cumulative City contracts or subcontracts that exceed \$25,000, and
- Nonprofits with 51 or more employees and cumulative City contracts or subcontracts that exceed \$50,000.
- Exempt Employers:
 - Nonprofits with fewer than 51 employees and contracts/subcontracts that are below \$50,000
 - Contractors/Tenants with contracts/subcontracts that are below \$25,000

What are the health coverage requirements of the HCAO?

Each month, “covered employers” under the HCAO are required to

- offer health plan benefits meeting Minimum Standards to their covered employees,
- make payments to the City for use by the Department of Public Health, or
- make payments directly to their employees under limited circumstances.

Minimum Standards for Health Plan Benefits under the HCAO

- Employers must offer at least one health plan that is a Health Maintenance Organization (HMO).
- The HMO must not charge employees a deductible of any amount for any services or benefits covered in the package.
- Employers may not require employees to pay a monthly premium contribution toward the HMO plan.
- Co-payments for office visits (including PCP, perinatal and maternity, preventive care, and family planning) shall not exceed \$15 per visit for a Closed Panel HMO; and \$20 per visit for all other HMO models. The employee's annual out-of-pocket maximum shall not exceed \$2,500
- Each plan must be comprehensive and provide coverage for the following services:
 - ☐ Office visits (including PCP, perinatal and maternity, preventive care, and family planning)
 - ☐ Hospital inpatient
 - ☐ Prescription drugs
 - ☐ Outpatient services and procedures
 - ☐ Diagnostic services (x-ray, labs, etc.)
 - ☐ Perinatal and maternity care
 - ☐ Emergency room and ambulance
 - ☐ Mental health services, outpatient and inpatient
 - ☐ Alcohol and substance abuse care, outpatient and inpatient detox
 - ☐ Rehabilitative therapies, outpatient and inpatient
 - ☐ Home health services
 - ☐ Durable medical equipment
 - ☐ Hospice care
 - ☐ Skilled nursing services

Which employees are covered under the HCAO?

Any employee who

- Works on the City contract, and
- Performs at least 15 hours of work per week on the City contract

UNLESS they are exempt from coverage under the HCAO.

Which employees are exempt from coverage under the HCAO ?

- Employees who are students under the age of 18;
- Trainees in bona fide training programs who will advance to permanent positions, provided that they do not replace, displace, or lower the wage or benefits of any existing position or other employee;
- Employees covered by prevailing wage requirements;
- Disabled workers covered by a sub-minimum wage certificate issued by the U.S. Department of Labor or who would otherwise be covered but for the fact that the employer is paying a wage equal to or higher than the minimum wage; and
- Temporary employees of nonprofits who work on an hourly or per diem basis to replace a regular employee during a temporary absence.

Statutory Authority:

Health Care Security Ordinance

- Passed by the Board of Supervisors & signed by the Mayor on August 4, 2006
- Amended on April 2, 2007
- Codified at Chapter 14 of the San Francisco Administrative Code

Legislative Findings & Intent of the HCSO

Legislative Findings:

- Approximately 82,000 adult SF residents are uninsured
- More than half of this population is employed
- Uninsured non-residents who work in SF utilize emergency health care services in SF

Legislative Intent: To ensure that all individuals who live or work in San Francisco have access to affordable health care by:

- Mandating the DPH to create an affordable comprehensive health care reform program for uninsured individuals living or working in San Francisco
- Requiring businesses to make reasonable health care expenditures on behalf of their covered employees

Effective Dates of the HCSO

The “Employer Spending Requirement” of the HCSO takes effect for all employers with 50 or more employees on January 1, 2008.

The effective date for for-profit employers with 20 or more employees is April 1, 2008.

- ❑ NOTE: Nonprofit employers with fewer than 50 employees and Small employers with fewer than 20 employees are exempt from this law.

Who is a covered employer under the HCSO?

A business is covered by the HCSO if it

- engages in business within the City and is required to obtain a valid San Francisco business registration certificate, and
 - employs 20 or more employees per week *anywhere*.
-
- Exempt Employers:
 - Nonprofits with fewer than 50 employees, and
 - Small Businesses (with fewer than 20 employees)

What is the Employer Spending Requirement under the HCSO?

- quarterly “health care expenditures”
- meeting a minimum “expenditure rate”
- made by “covered employers”
- to their “covered employees” or for the benefit of their “covered employees”
- for “health care services”

Which employees are covered under the HCSO?

The HCSO covers any employee who

- has been employed for at least 90 calendar days, and
- performs at least 10 hours of work per week within San Francisco,
- including those who work on a part-time or temporary basis

UNLESS they are exempt from coverage under the HCSO.

Which employees are exempt from coverage under the HCSO?

- Employees who sign a Voluntary Waiver Form verifying that they are receiving health care from another employer, either as an employee or through their spouse or domestic partner's policy, and that s/he *voluntarily* waives the right to have her current employer make a HCE for her benefit.
- Managers, supervisors, or confidential employees earning more than \$76,851 annually in 2008;
- Employees who are covered by Medicare or TRICARE/CHAMPUS;
- Employees who are employed by a non-profit corporation for up to one year as trainees in a bona fide training program consistent with Federal law;
- Employees who receive health care benefits pursuant to Section 12Q.2.9 of the San Francisco Administrative Code (Health Care Accountability Ordinance)

What are the obligations of employers who are covered by both ordinances?

Apply the HCAO requirements first:

- offer health plan benefits meeting Minimum Standards to their covered employees,
- make payments to the City for use by the Department of Public Health, or
- make payments directly to their employees under limited circumstances.

NOTE: All Covered Employers must track their employees who work on City contracts and offer health plan benefits to those meeting the requirements of this Ordinance.

After I've complied with the HCAO, what else is required under the HCSO?

For all employees not covered by the HCAO, you'll need to determine whether the HCSO provides coverage.

Because the coverage and exemption categories differ, there are some categories of employee who may not be covered under the HCAO, but are covered under the HCSO.

Categories of employees that may qualify for exemptions under the HCAO, but are covered under the HCSO:

- Employees who do not work on City contracts;
- Employees who work more than 10 hours/week, but less than 15 hours/week on a City contract;
- Employees who are also Students under the age of 18;
- Employees covered by prevailing wage requirements;
- Disabled workers; and
- Temporary employees of nonprofits who work on an hourly or per diem basis to replace a regular employee during a temporary absence (i.e., relief workers).

What qualifies as a “Health Care Expenditure” (HCE) under the HCSO?

An amount

- paid by a covered employer
- to its covered employees, or to a third party on behalf of its covered employees
- for the purpose of providing health care services for covered employees, or reimbursing the cost of such services for its covered employees.

Health care services means medical, dental, or vision care, services, or goods that may qualify as tax deductible medical care expenses under Section 213 of the Internal Revenue Code, or medical care, services, or goods *having substantially the same purpose or effect* as such deductible expenses.

How is the HCE calculated under the HCSO?

The HCE for each covered employee is calculated by multiplying the total number of “hours paid” to that employee by the applicable HCE rate.

- “Hours paid” means both the hours for which a person is paid wages for work performed within San Francisco and the hours for which a person is entitled to be paid wages, including but not limited to paid vacation hours, paid time off, and paid sick leave hours, but not exceeding 172 hours in a single month.
- Calculations must be made and expended at least quarterly.

Health Care Expenditure Rates under the HCSO

Employer Health Care Expenditure Rate Schedule				
Business Size		January 1 2008	April 1 2008	January 1 2009
Large {	100+ Employees	\$1.76/hour		\$1.85/hour
Medium {	50-99 Employees	\$1.17/hour		\$1.23/hour
	20-49 Employees *	Not Applicable	\$1.17/hour	
Small {	1-19 Employees	Not Applicable		

* Non-profits with less than 50 employees are exempt from the spending requirement.

Why does the HCSO expenditure calculation have to be made for *each* employee?

- Payments to or on behalf of one covered employee that exceed the required health expenditure for that employee will not be considered in determining whether an employer has met its total required health care expenditures for *all* employees.
- Subject to very limited exceptions:
 - Uniform health coverage plans
 - Self-insured/Self-funded plans

Examples of HCEs that meet the requirements of the HCSO

- Payments of premiums for health insurance coverage for the covered employee;
- Payments to the City for enrollment of the covered employee in the HAP/*Healthy San Francisco*;
- Contributions on behalf of the covered employee to a health spending account, such as a health reimbursement arrangement, a flexible spending account, or a health savings account; and
- Cash reimbursements to the covered employee for expenses incurred in the purchase of health care services, such as doctor's and pharmacy bills.

NOTE: Payments made directly or indirectly for workers' compensation or Medicare benefits do not qualify as health care expenditures.

Frequently Asked Questions on the HCSO

- **What if the health insurance premiums that I currently pay for my employees does not reach the amount required by this Ordinance?**
- Employers must make the FULL expenditure required by law.
- If the monthly premium paid by the employer does not meet the required expenditure amount, it must choose how it will expend the remaining amount, for example, by complementing the plan with a reimbursement account funded by the remainder.

More FAQs on the HCSO

- **What if the premiums I pay are greater than the amount required by law?**
- If you are spending at or above the amount of the HCE, you have no further expenditure obligations under the HCSO.

Additional Employer Responsibilities under the HCSO

- **Notice to Employee of Payment to the City**
- **Recordkeeping:** Employers must retain records for a period of four years, and shall allow OLSE access to such records, which must include:
 - Covered employees' address, telephone number, and date of first day of work;
 - Itemized pay statements consistent with the requirements of Labor Code Sec. 226;
 - Records of health care expenditures made, including calculations of health care expenditures required under the law for each covered employee and proof documenting that such expenditures were made each quarter of each year; and, if applicable;
 - Signed Voluntary Waiver Forms for every employee for whom a covered employer is claiming an exemption from the HCE requirement
- **Annual Reporting Requirement**
- **Cooperation with OLSE Investigations & Audits**, including providing access to workers and other witnesses, as well as employer records including, but not limited to, employee time sheets, payroll records, employee paychecks, and other documents described in Regulation 7.1

What are the Employer's Recordkeeping Responsibilities under the HCAO?

Contractors shall maintain, and shall require Subcontractors or Subtenants covered by the HCAO to maintain, employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on a City Contract or Subcontract:

- ❑ Employee and payroll records must also contain the following information: Name; Address; Date of hire; Date of termination; Job classification; Rate of pay;
 - ❑ Hours worked on an HCAO contract, for each pay period in which an employee qualified as a "Covered Employee";
 - ❑ Health insurance remittal forms with employee names;
 - ❑ Materials from health insurer documenting scope of coverage and employee costs; and
 - ❑ Copies of any correspondence to employees notifying the employees that they qualify for coverage at no charge.
- ❑ Where a Covered Employee has signed a waiver declining health coverage offered by the Employer, the supporting documentation specified in Regulation 3.5 must also be included in employee records.
- ❑ Contractors, Subcontractors, Tenants and Subtenants must maintain the records referred to in this Regulation for three years after the City's final payment on the contract.

If the Contractor fails to maintain records that accurately reflect the number of hours each employee has worked on a City Contract or Subcontract, it shall be presumed that any Employee who has worked on a City Contract or Subcontract is a Covered Employee as defined in § 12Q.2.9.

Anti-retaliation Provision under the HCSO

- It is unlawful for an employer to discipline, discharge, demote, suspend, or take any other adverse action against an employee for exercising his/her rights under this law.

Administrative Enforcement under the HCSO

The OLSE has the authority to conduct investigations, monitoring and audits; to order corrective action for violations of the HCSO; and to seek penalties if those violations are not corrected.

Any person may file a complaint, and the OLSE may initiate an investigation on its own authority.
