

Location

The offices of Covington and Burling
One CityCenter
850 10th Street NW
10th Floor
Washington, DC 20001

Guest Parking / Directions

The CityCenter garage has over 500 visitor parking spaces. The most direct and convenient entrance to the garage for visitors is located on 9th Street midway between H Street and New York Avenue. There is another parking entrance on 11th Street but it is less convenient for office visitors. Upon entering the garage, office visitors should follow the directional signs for "Office Visitors." **Visitors should use the "Shops and Restaurant" elevators located on each level of the garage.** The other elevator banks are secured and are not available to the general public.

Visitors may pay at the exit lanes, or they may use the "Pay on Foot" stations at the designated elevator vestibules. When exiting the building between 2:00am - 6:00am, there are no parking attendants so parking tickets must be paid at the "Pay on Foot" station outside the "Shops and Restaurant" elevator vestibules.

Visiting by Metro

The Blue, Orange and Red lines stop at Metro Center, just a few blocks away. The Yellow, Green and Red lines stop at Gallery Place Chinatown, two blocks south east. A number of bus lines, as well as the Circulator Bus stop in front of CityCenterDC. For route, schedule and fare details, visit www.wmata.com.

Once You Have Arrived

Every guest will be required to check-in at the front desk and show a government issued ID.
